IIMA VENTURES

Krishnamurthy Tandon School of Artificial Intelligence

Brij Disa Centre for Data Science and Artificial Intelligence
INDIAN INSTITUTE of MANAGEMENT AHMEDABAD

OpenAI

AI Summer Residency

Residence program at IIM Ahmedabad Campus

Open for STEM students in undergraduate courses

Program Outcomes

From ideas to MVPs

Primary Outcome
MVP, POCs, knowledge pieces, or antithesis. Startups are a by-product, not a mandatory outcome.

Market Litmus
Products must pass rigorous market testing and validation phases

Future Prospects
Seeding impactful ventures and careers in AI.

Community
Long-term access to the residency network and startup ecosystem.

3-Phase Journey

Phase 1

Team & Idea Discovery

Form teams within the cohort, explore whitespaces, and quickly eliminate weak ideas.

Phase 2

Build Sprint

Build an MVP. Technical mentorship on LLM Ops, agentic workflows & system architecture

Phase 3

Validation Showcase

We will conduct real usage tracking, market testing, and pitching to founders and corporates.

What’s in it for You

Program Offerings
